We can send out a unit or I can even go out with them every once in a while. I want to make sure they are safe too.

Hello Mike,

Thank you for having me over at the board meeting today. I like meeting people and making sure our businesses and the people know I am here for them.

Today after I left the meeting, I met with the manager (Pablo Tapia) of Jon's market at 8th and Irolo and he asked me if I could have your guys patrol the area due to the illegal vending on his parking lot. He informed me that they used to patrol 8th Street. I just wanted to verify that your bicycle crew does that still.

Let me know if that is a possibility or if its not and I will let him know.

Take care,
